Sep 7 Pownall, Thomas, 1722-1805, Governor of Massachusetts.

To George Montagu Dunk, second Earl of Halifax, 1716-1771.

[Written from ?] Gives his opinion of affairs in America and points out the necessity of keeping an army at the Gates of Canada--Lord Loudoun in Albany can do nothing to assist Nova Scotia. Since naval force not sufficient to support two fleets, and neither regular troops from Europe nor militia practicable, we must take Quebec. Hopes his position will be continued when the Establishment for America is voted on next year. Will write soon about "the villanously false paper that has been published against me in England."
